

If you need medical attention or must make any other type of claim during your trip, call us for assistance first. The Assistance Centre is open 24 hours a day, 365 days a year.

Please note that if you do not call the Assistance Centre in an emergency, or prior to any treatment, you will have to pay 25% of the eligible medical expenses we would normally pay under this policy. If it is medically impossible for you to call, please have someone call on your behalf.
